CHAMBER OF COMMERCE

2014 Slocan Valley Restaurants Accommodations Tours & Rentals & West Kootenay Attractions & Museums

The Slocan Valley is in the heart of West Kootenay. The mountain ranges that create these three valleys have discouraged travellers in the past, so not many people had a reason to visit. The boots and moccasins of those who did come in search of minerals and destiny created the paths and trails we still follow, and our modern ferries still ply the same waters as stern-wheelers did last century. Enjoy our unique blend of history and nature.

Sandon, in the the age of railroads and horseflesh:
There was tremendous rivalry between the K&S and CPR railroads. But as it turned out, they were both soon working to capacity, servicing the new mines as Sandon grew at a furious pace.

Slocan City Boom:
The CPR started extending the Columbia and Kootenay Railway up the Slocan Valley in 1897. In 1901 Slocan became a city, with 12 hotels. In 1958 it was incorporated as a village.

This brochure is produced by the Slocan District Chamber, with funding from Columbia Basin Trust. If you wish to support our efforts, please consider joining the Chamber of Commerce at slocanlake.com.
