

Job Opportunity: Family Physician with Emergency

The Slokan District Chamber of Commerce, working with B.C.'s Interior Health Authority (IH), is actively recruiting two physicians to work in New Denver B.C., Canada.

The medical clinic, Emergency Room (ER) and Long Term Care (LTC) are located in the Slokan Community Health Center (SCHC). The two new physicians will join an experienced rural physician and nurse practitioner currently practicing at SCHC. Physicians will run a general family practice outpatient clinic for 4 or 5 half-days per week, as well as participate in coverage of LTC. The health center is a 24/7 facility with on-call ER coverage shared by all physicians. Minor procedures in the outpatient department are at the discretion of the physician and consistent with hospital privileges. Participation in monthly Medical Advisory Committee meetings with combined medical staff of SCHC and Arrow Lakes Hospital, located in Nakusp, B.C., is required. In addition, physicians will participate in regional committees as needed to provide adequate representation for our population and facility.

Qualifications:

- Doctorate in Medicine and Licentiate of the Medical Council of Canada
- CFPC certification desirable

Compensation:

Payment Structure:

- Fee for Service (FFS)

Incentives:

- Eligible for full Level 1 Medical On-Call Availability Program (MOCAP)*
- Rural Practice Subsidiary Agreement (RSA) Incentives: *
 - Recruitment Bonus: \$20,000 (for 1.0 FTE)
 - Relocation: maximum: \$15,000
 - Annual Flat fee: \$19,706
 - Fee Premium: 22.54% of FFS
 - Rural Emergency Enhancement Fund (REEF): maximum \$65,000 per annum
 - Rural CME: up to \$5,720/yr for 4+ years

*RSA and MOCAP incentives are negotiated provincially and therefore subject to change.

Overhead negotiated with Interior Health.
